Well summer has come and gone in a blink of an eye it seems, hope everyone's show experiences where great! As most of you know, I was asked to assist Ken McLellan this year at Area 1 shows and had a very busy, but great summer of learning from the great man himself! I was able to see most of you this year in and out of the ring and I want to thank you all for being the wonderful people that you are! There was not one of you that I asked to help that ever refused, thank you from the bottom of my heart for all your efforts and time! I would like to thank at this time some very special people, who without there would not be a horse show. Barb Boyd and Ken O'Donnell, for ALWAYS being the first to offer help wherever needed. Tracey Beck and Sherry Newbigging who gave so much of their time to all shows setting up and taking down Trail, sitting ALL day in the trail pen and keeping it groomed, knowing any answer to any questions that may be asked, a very special thank you. To my group of strong men who are always there, for the heavy lifting (I am a wimp, ask Tom) Dean M. Fred Longworth, Jim Conod, Jim Thompson and my new BFF Travis Thompson. To Shelley Thompson, a HUGH Thank you for manning prize booth, bringing prizes and helping out wherever needed, I am so happy to have your family joining Area 2 shortly! Sorry Area 1, I know you will miss them greatly!

To Connie, Sylvia and Vanessa in the Entry booth, thank you, thank you for doing all the paperwork and grunt work! A very special thank you to Marie Muir for always knowing the right way to get the job done, without Marie we would all fail, she is amazing! To Tom Baker and Peter Emerick and their band of merry man at each showground (Ancaster and Ilderton) thank you for always keeping the ring worked up and watered down, a thankless job most of the time, but very much needed! Thank you!

To our Queen Kerrie-Lynn Webb and her mother Bonnie thank you for your time and pretty faces at EVERY show! Good Luck at Congress! To Jann Ropp thank you for always keeping us well fed! A special thank you to Ken's wife Glennda, who I am impressed to say can hitch and unhitch a trailer in less than 5 minutes! (I am useless) Glennda you always go above and beyond Thank you!

I have a very special person to thank at this time, who played an amazing part in a show this year! "Cowboy" Troy Donaldson has my extreme thanks for being the talented roper that he is! Ilderton had a cow break loose at a show that could have caused damage, but thanks to Troy and his amazing speed and ability to rope he had the cow caught before anyone or anything could happen. Hats Off to this amazing man! Thank you.

Last but not least, a very special thank you to my wonderful husband for his untiring work around the clock ring stewarding and taking care of myself and judges. He is an amazing man, thank you.

Well hopefully I have not forgotten anyone, I am very old and forgetful, have a great fall and good luck at Congress!
Marianne Ramey

News & Announcements

Area 2 Awards Banquet – February 15th 2013, stayed tuned for more details

Upcoming Chances to WIN with Area 2- Attend the Area 2 AGM for a chance to win a banquet ticket and purchase your membership by April 1st 2014 to be entered in the free membership draw.

Congratulations to The Lehmann Family, The Martini Family, Maisyn Picard, Becca Diebel, Kennedy Almas on winning gift certificates for blanket cleaning from our generous sponsor Ultra Line Professional Blanket cleaning.

Congratulations to our Area 2 Youth Members heading to Congress on the OQHA Youth Team. Laura Anne Berencsi & One Hot Pharos, Tyler Cressman & A Version Of Pine, Rebecca Diebel & Sure Smooth Gold, Amanda Martini & Back In A Minute, Taylor Martini & Certain To Be Good, Heidi Nelson & Ha Diamond Lady & Thumb Moxie.

Good luck to all of our Area 2 members heading to the Novice Championships and The All American Quarter Horse Congress!

We eagerly await your results.

Spotlight on Youth Exhibitor Lilly Graham

Lilly has been showing Gramas Inheritance AKA Sham in Lead Line for the past two years and doing remarkably well at it.

Lilly got her start at a young age riding her Aunt Kennedy's horse Sham at her Nana and Papa's house she quickly learned to love it. After showing at her first horse show she never looked back. Lilly has been receiving ribbons of every color since she started showing and received a year end award at the 2012 Area 2 Awards Banquet.

Lilly hopes to start showing English in the future she wants to learn to lift her bum like Aunt Kennedy does. Kennedy also enjoys pulling Sham around so she would also like to show showmanship sometime in the future. When Lilly isn't showing Sham she likes to spend time in the barn cleaning stalls and brushing the horses.

Lilly is currently 5 years old and is in Senior Kindergarten. She has a little brother, Lane who is 1 year old, he also really likes horses and as soon as he is old enough Lilly is going to teach him to ride Sham just like her!

Area 2 wants to congratulate Lilly on all her successes in the past couple years and we know that she will continue to have great success in the future!

Spotlight on Amateur Exhibitor Janice Thompson

Janice has been riding horses since she was just 10 years old. As she got older she started watching horse shows and decided that she would like to start showing herself. Janice started out like many of us at the Club Show Level and worked her way up to the larger shows and circuits.

Janice and her horse Cando Attitude Aka Wyatt currently compete in the All Around Events and are strong competitors. Janice has always enjoyed showing in the pattern classes the most. Right now Western Riding is her favorite as it is a very difficult and challenging class. Janice finds Western riding to be a very rewarding class and it has been a great confidence builder.

Janice has had some great moments this year. She is very proud to be competing in the Western Riding Classes and feeling like she can truly compete in them at the Quarter Horse circuit level. Janice also received some compliments from fellow exhibitors. It is a truly great feeling and always gives you a boost even if your fellow competitors didn't know you needed one.

Janice has completed her OQHA show season but will continue to compete throughout the fall on the Mid Western Horseman Circuit, she has several shows left. Once Janice and Wyatt are done showing for the year they can enjoy some rest and trail riding, until it is time to prepare Wyatt for the 2014 Show Season. Once Show season is done Janice can also spend some more time with her family who she doesn't see much during the show season. She also enjoys going to the gym in her spare time.

Area 2 would like to thank Janice for taking the time to complete this interview and for her generous support of our club. We wish Janice and Wyatt all the best at their remaining 2013 shows and a fantastic 2014 show season.

Spotlight on Youth Exhibitor Becca Diebel

Becca who will be entering her final year as a youth competitor in 2014, got her start with horses at a young age. She started riding horses when she was seven years old at summer camp near Orangeville and started showing at local shows when she was ten years old. A close family friend had an older horse that she needed someone to ride and ended up taking Becca to a few local shows which she really enjoyed.

Becca shows her horse Sure Smooth Gold in Open and Youth Aged Mares at Halter, Novice Youth and Youth Showmanship, Equitation, Western Pleasure and Horsemanship. Becca really enjoys showing in Horsemanship, her horse enjoys pattern work and she likes the challenge of performing a different pattern each time she shows.

Becca has had some fantastic accomplishments in the last couple years including finishing top ten at the Novice Championships in Tennessee in Novice Youth Aged Mares. She will also be representing OQHA at this years Quarter Horse Congress in Showmanship. Becca plans to attend as many shows as she can in 2014 as it will be her last year as a youth competitor.

In her spare time Becca enjoys reading and spending time with her friends.

Becca purchased her horse from Nathaniel Wagler in 2008 and names him as her inspiration when showing. Through his love of OQHA and the horse that he sold Becca he has inspired her to do more with her horse than she ever thought would be possible. Becca shares every show with him as he can no longer attend due to his health. Becca not only fullfills her dreams but his as well.

Area 2 would like to thank Becca for sharing her story with us and wish her all the best as she represents OQHA at this years Congress and continues to fullfill her dreams.

2013 AREA 2 SPONSORS

As everyone knows, our Sponsors are a very important part of our club. Without their generous contributions we would not be able to continue. Please support these individuals and businesses whenever possible. Our Sincere thanks goes out to all our sponsors.
